#### FROM THE MINISTER OF MUSIC

We are *blessed* to have such a strong music ministry here at NRUMC. Along with that comes the great challenge of creating a schedule which works, allowing nearly 20 music ensembles to participate in worship in a schedule that is practical and accessible.

The other directors and I have worked hard to create a schedule which allows everyone to share at the various services (and still give the pastors time to have a sermon)! We have tried to achieve a balance between 8:30 and 11:00 worship times. We have

been as accommodating as possible for parents who may have children in multiple age-specific groups. We have even tried to honor our year-round Chancel Choir's dedication with a week off now and again!

I would ask everyone to remember that we're first and foremost a team in the Music Department — working together, being flexible, and serving with joy! I appreciate the amazing things that happen when we all serve in the Spirit. Thanks!
