

Volunteer Form

North Raleigh United Methodist Church has a new ministry called Hearts & Hammers. The goal of this ministry is simple – to use our time and talents to meet the needs of those around us in order to share the love of Jesus. Household repair and maintenance work will be provided for those who are in need.

Many of you have expressed interest in participating in the Appalachian or Mexico mission trips but are unable to fit these trips into your schedule. This is a great opportunity to help others as your schedule permits. If you or your group is interested in volunteering, please complete the attached interest survey.

Mission Statement

To use our time and talent to meet the needs of those around us in order to create an opportunity to share the love of Jesus.

We will perform household repairs for those who cannot afford them, free of charge. Those who can afford to buy materials only, we will provide labor at no charge.

If you would like to be a Hearts & Hammers volunteer, please complete the following information along with skills assessment form included.
